Shri K Chandrashekar Rao
Hon'ble Chief Minister

Shri K T Rama Rao
Hon'ble Industries Minister

Happy Ugadi

FROM PRINCIPAL SECRETARY'S DESK

Mr. Jayesh Ranjan, IAS
Principal Secretary, ITE&C
& Industries Dept.,
Government of Telangana

I am pleased to unveil the April '23 Issue of our Industries Dept. newsletter. The previous quarter has been extremely busy and eventful for us at the Government. We have had several marquee events such as the flagship event of our government, Bioasia '23, and the first-of-its-kind E-Mobility Week in Hyderabad. Our official business delegation's visit to the World Economic (WEF) at Davos in January was quite successful in attracting some important investments to Telangana.

Last quarter, major global companies such as Allox, Blackberry, Bristol Myers Squibb, Eurofins, Foxconn, Foss Life Sciences, TUV Rheinland & ATS and WebPT have come forward to invest in our State. We also launched facilities of Claranet, Cyber Ark, ITC Limited and Welspun. I am also proud to share that Amazon has launched 'Amazon Air', a dedicated air cargo network in Hyderabad; and this is the first time in India that an e-commerce company has done that.

We launched T-Works, India's largest prototyping facility next to T-Hub 2.0. We also felicitated the Industry Awards 2022 winners on 7th March in the presence of Hon'ble Industries Minister and will soon launch the online Awards application form for 2023 through TS GlobalLinker portal. The Minister also opened the 'Indian Business Portal' for businesses in Telangana which will allow State sellers to connect with foreign buyers. We signed an MoU with Invoicemart a TReDS platform to support MSMEs overcome the issue of delayed payments. I hope the Industry will make use of these facilities to the most.

T-Works Launch

T-Works, the largest prototyping centre in the country was inaugurated on 2nd March 2023 by Foxconn's Chairman Young Liu, in the presence of Hon'ble Industries Minister Sri. KT Rama Rao. T-Works helps rural innovators transform their ideas into products by aiding them in developing working prototypes. The centre has already supported entrepreneurs in creating prototypes for electric go-karting vehicles, seed-sowing tools and bio-pots to name a few. The facility boasts of Laser Cutting & Engraving, Testing Lab (Environmental, Vibration, Metrology), Electronics Lab, 3D Printing, Metal and Wood shops, Garage space, Ceramics studio, Library and a Retail store.

Invoicemart MoU

An MoU was signed between Government of Telangana and Invoicemart on 3rd March 2023 to create awareness amongst State MSMEs about the TReDS platform through seminars, workshops and one-to-one meetings.

TReDS is an electronic platform for facilitating the financing / discounting of trade receivables of Micro, Small and Medium Enterprises (MSMEs) through multiple financiers. The collaboration will also support popularization of the Invoicemart platform and onboarding of more MSMEs on the platform from the State.

Events and Conferences

Hyderabad E-Mobility Week

unveiled one-of-its-kind Telangana Mobility Valley (TMV) at the Summit. Other activities during the week included Rall-E Hyderabad: an EV rally for electric 2 & 3 wheelers, Hyderabad E-Motor Show 2023: one of the first EV expos in India at Hitex, before closing the week with Hyderabad E-Prix, nation's first-ever Formula E-race.

Hyderabad E-Mobility Week was conducted from Feb 5-11. During the week, Hyderabad hosted the Hyderabad EV Summit called 'Mobility Next Hyderabad' which showcased global leaders, eminent academicians and policymakers discussing future of sustainable mobility. The Hon'ble Industries Minister Sri KT Rama Rao

Industry Awards 2022

based businesses, covering both large & small organizations. The chief guest Shri K.T. Rama Rao, Hon'ble Minister for Industries felicitated the 28 winners.

Shri K.T. Rama Rao also opened up 'Indian Business Portal' - www.indianbusinessportal.in for the businesses of Telangana which is an international trade hub, connecting Indian exporters with foreign buyers. This digital platform aims to facilitate matchmaking between sellers and buyers across a very wide range of products and services, including GI products from India.

The Government of Telangana along with TS GlobalLinker, announced winners of the 'Industry Awards 2022' at the Annual Meeting on Beyond India@75 held by CII. Introduced in 2017, the esteemed 'Telangana State Industry Awards' is a statewide competition that recognizes and rewards exceptional achievements made by Telangana

Bioasia

The 20th edition of BioAsia 2023 with the theme "Advancing for ONE – Shaping the next generation of humanized healthcare", was conducted from Feb 24-26 and saw more than 2000+ delegates attend the event. Over 50 countries were represented at the event and more than 2000 B2B meetings took place. The Pharma eco-system in Telangana worth \$50 Bn in 2021 is poised to grow to \$100 Bn by 2028.

Many announcements were made on the sidelines of the event. UNICEF India

announced setting up of Y-Hub in Hyderabad, India's first youth & adolescent focused hub to foster innovation, design thinking & entrepreneurship among youth. Jubilant Bhartia Group, a global leader in Pharma & Life Sciences announced setting up of a state-of-the-art facility in Genome Valley. The global Healthcare company Sanofi announced setting up of its Global Medical Hub in Hyderabad. WHO announced setting up of an mRNA vaccine hub in Hyderabad.

ONDC Event

Government of Telangana, along with ONDC, TS GlobalLinker and FTCCI organized a session on 'How Open Network for Digital Commerce (ONDC) can be a game changer for businesses' at FTCCI. Through the event, the Govt. and ONDC team emphasized the importance of ONDC in democratizing e-commerce businesses as UPI did for payments across India. The digital platform Telangana State GlobalLinker has become ONDC compliant, and any seller onboarded onto the platform will be discoverable to consumers across India through other platforms which are ONDC compliant.

Savills Report Launch

UK Headquartered real estate services giant, Savills released the report 'Hyderabad: The Sprint', stating that Hyderabad is surging ahead as the economic powerhouse of India.

WEF '23, Davos

During the recent World Economic Forum at Davos in January 2023, Telangana delegation bagged Rs. 21,000 Cr. of investments. Telangana team conducted 52 Business meetings, 6 roundtable meetings and 2 panel discussions over four days of the event.
